

Connor's Friends 2009

In striving to create an accessible environment for all children, the Grand Rapids Children's Museum has partnered with area organizations and Autism experts to create Connor's Friends: an evening for children and families affected by Autism. This free program provides appropriately planned sensory-integrated surroundings for Autistic children to explore. Individual play spaces, sensory pools and activities, a music therapist and more will all be featured during this special evening. Space is limited, so RSVP today!

When: November 18, 2009 from 6:00pm-8:00pm

Cost: FREE with RSVP

Parking: FREE valet parking to attendees

To RSVP or for more information, please contact:
