Ionia County Intermediate School District

The Ionia County Intermediate School District is a service organization.

Its Employees provide support, special help and special equipment to local educators in Ionia County's nine public, six non-public and two charter school districts.

About one-third of the staff serves constituent districts from the Administrative Service Center. This includes general education, alternative education, professional development, grant writing, gifted and talented, technology and vocational educational programs.

The balance of its employees work in the ICISD programs as well as local school district special education programs for the handicapped.

The Ionia County Intermediate School District Board of Education complies with all federal laws and regulations of the U. S. Department of Education.
