Community Mental Health

www.ioniacmhs.org

Ionia County Community Mental Health (CMH) offers a wide variety of supports and services. Services are based on individual desires and interests designed to respond to the mental health needs of people with developmental disabilities, mental illness, and /or substance abuse. Many services are available to students and families involved in Transition through school. Some examples include: respite, counseling, psychiatric services, support coordination and advocacy. CMH also has a school liaison available to attend IEP meetings to make recommendations and provide information.
