

Altruism Unit

Reflection #1

***Directions:** You are to write a 5 (can be longer) paragraph essay answering the following questions. Each question will represent one of the three body paragraphs. Remember to include an introductory and concluding paragraph. The questions you must address are below.

A) We have just learned even more about the current events in Darfur, Sudan. Is your personal work doing them justice? Is it worthwhile for them and our world?

B) What specific actions have you done to help out during this unit and the entire trimester (in and out of school)?

C) What are some things that you as an individual, and/or our team as a whole can do better?

***In addition:** Afterwards, please give yourself a grade on your effort thus far. Supply a reason, which supports your grade in about 2-3 sentences.
