

ACTIVITIES: 2111A

FLORAL ARRANGING

1. Design a floral arrangement emphasizing each of the principles of design.
2. Using floral publications cut out arrangements using each of the principles of design.

Additional Possibilities

Visit the local flower shop to watch the florist in action

Go to the MSU Horticulture department for a tour

Ask the local florist to be a guest lecturer

Have the students make an arrangement for a test, and ask the local florist to help grade them
