

Save Darfur

The Education Project

Directions: Please be as specific as you can when answering the questions below.

- 1) The major fundraiser that we voted on is...

- 2) I think a realistic monetary goal for our class to raise is...

- 3) What do you personally want to gain during this unit? What are some things that you can learn that will benefit you in the future? Be specific and list several.

- 4) What kinds of things do you excel at? Technology? Public speaking? Organizing? Advertising? Art? Creativity? Other?

- 5) How can you use the above skill, talent, etc. to help our team with this project? Be specific.

- 6) List some activities that you and/or our entire team can do to raise more money for The Education Project in Darfur, Sudan. List as many as you can.

- 7) Please answer this question honestly. Are you ready to take ownership during this unit? In other words, are you ready to put in hard work and energy so that your grade reflects it? Why or why not?
