

Board Meeting Review

- We are pleased to announce that Mr. Michael O'Mara has been selected to fill the vacant Board member seat. Mr. O'Mara has over 30 of experience working in public education, with nine of those years serving as the Superintendent for Lakewood Public Schools. We are sure he will be a valuable asset to our Districts.
- Sally Kapteyn and Amy Opperman spoke about the GSC and GSRP programs. They emphasized the work being accomplished in identifying early childhood needs, the importance of early literacy goals for children and showed examples of the backpacks being provided for the "Transition to Kindergarten" project.
- Mr. Chris Thelen, from Consumers Power Company, presented a check for \$5,000 to Cheryl Granzo for the Dolly Parton Imagination Library Program.
- Sparrow Ionia Hospital will be hosting "An Evening in Paris" Charity Ball on April 28, 2018 at 7:00 pm at the Ionia Armory. Proceeds will be going to support the Dolly Parton Imagination Library. Purchase tickets online at www.eventbrite.com using the keyword "Sparrow Ionia Charity Ball"
