The Ionia County Trailblazers Disabled Sports Team is a member of the Michigan Disability Sports Alliance. We are a competitive team of athletes with various physical disabilities.d

# Mission Statement

Our mission is to provide competitive opportunities for those with physical disabilities, which are designed not only to increase self-esteem and improve physical well being, but also to enhance positive relationships between athletes, their parents, adult volunteers, and the community.

The Ionia County Trailblazers athletes compete at the Michigan Victory Games at Michigan State University the third week of May. Entry fees for an athlete to compete in the regional games is over \$220.

If you would like to donate to the team for purchase of practice and competitive equipment, or to sponsor an athlete, please complete this section and return to the address below. The Ionia County Trailblazers Disabled Sports Team is a nonprofit organization sponsored by the Ionia County Intermediate School District.
